

AGC Product Design Engineer Qualifying questions:

Although not mandatory, we encourage you to submit a 3-minute video detailing your responses to the 'Qualifying Questions' below.

1. What do you get out of engineering that you couldn't get from any other kind of work?
2. How can you best use your education and prior work experience to help our company grow?
3. What excites you about the possibility of working for AGC?

Simply upload your video to a video-sharing service such as [YouTube](#) or [Vimeo](#), then enter the link to your video in the "Video Link" field in the form found at
